

# Free Bleaching for Life!!!

We are committed to your dental health and the beauty of your smile! That is why we are making this very special offer to all of our new patients and existing patients in our practice.

**Keep your teeth white FOREVER and ABSOULUTELY FREE! As long as you are an active patient at City Park Dental Care.**

**Details:**

All you need to do is become a new patient of our practice and have a patient exam, xrays, and cleaning.

We will take impressions and fabricate custom made bleaching trays for you - **no charge!**

You will receive one syringe of bleaching gel to use - **no charge!**

You will receive free bleach for life to use in your trays and keep your smile at its best - **no charge!**

**THERE IS ONE CONDITION- You must be over 18 and remain an active patient, meaning at least one cleaning every six months. You may not participate if you have any active periodontal disease, or untreated tooth decay, as tooth bleaching could be harmful if these conditions exist. Remember, tooth bleaching does not whiten existing crowns or bridges or bonding.**

\*\*\*\*\* Existing patients must have a procedure totaling \$250.00 or more to qualify. \*\*\*\*\*
